**Choose your game, we've got pool, pinball and futsal to challenge your mates or beat your boss!**

**The Long Shot has set up for DJs or live music on both floors and we're happy to work with you to find the right entertainment for your event.**

**We've got loads of space across our two floors so whether you're after an LED dancefloor or a Las Vegas style Blackjack table let us know and we can build a party to suit you!**

# FOOD

Our food offering focuses on good old fashioned drinking food. Monster sandwiches and wings fill the menu during normal service, but we can happily work on a canape menu if that's what you're looking for.

Same as the cocktails, we'd always recommend coming in for a tasting before the event to make sure you're happy with what's on the menu.

We also have the possibility to set up your very own Taco street food shack from the folks at Taco or Dont providing authentic Mexican flavours to order for you and your guests.
